

COLUMBIA COUNTY'S WAR DEAD

The men and women who died while in United States military service are heroes of our country. Columbia County can proudly claim hundreds of such heroes.

A local high school plans to honor these heroes next Memorial Day and asked the Society's help in compiling a list of them. Printed below is the "in-process" listing of Columbia County veterans who died while on active service (whether or not on a battlefield) in any of America's wars. The list has been gathered from a variety of sources, chiefly newspaper accounts and pension lists. Later this year the list will be accessible through the Society website.

If you know of any additional names that should be included, please contact the editor through the Society. Also, we would like to include in the database a copy of a photo of each veteran along with the following information: dates of birth and death, place of death, military service unit, home town or township, and parents' names. If you can supply any of this for any of the listed names, we'd like to hear from you. Thank you.

Editor~ The Burial, Home, and Parents fields did not fit in the following listing compiled by Bill Baillie.

| WAR | LAST | FIRST | RANK | BIRTH | DEATH | PLACE OF DEATH | BRANCH | UNIT |
